The following factors and considerations were involved in obtaining this statistic:

(a) Only those cases in the "applicant-type" category were considered.

(b) Only those cases handled in the period since 1 August 1947 were considered.

- (c) A statistical report for August 1947 is not available.
A figure for August 1947 was arrived at by averaging
the figures for the succeeding months in 1947.
- (d) It is estimated that 10% of the "Closed Before Completion"
cases contain reports in the category contemplated.
- (e) Some statistical reports containing statistics on
 are not available.
